

# 520 million children are living in the crossfire.

Conflicts steal childhoods.

Partners Relief & Development is determined to show up; *responding rapidly* by providing **immediate lifelines like food, medicine, and shelter.**

Then, we stay, *co-designing sustainable projects* with local communities to **rebuild health systems, restore education, and create the nurturing environments** where children can thrive.

# LOVE

**SUMMER LOVE.  
STILL RESILIENT.**

## A little Does A lot.

**\$35**

Provides **food** to a family displaced by conflict for a month.

**\$40**

Supports the training of a local **healthcare** worker for a month.

**\$45**

Provides a student with **protection** to study at a boarding home.
